

How To Draw Chowder

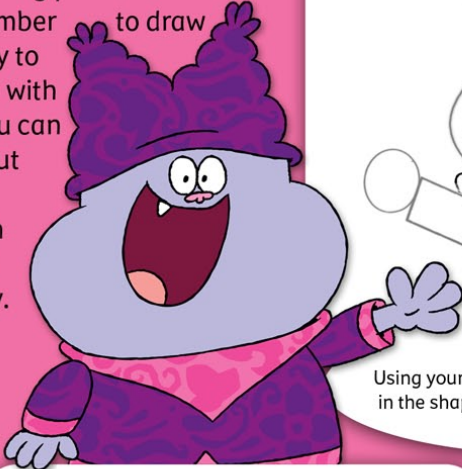

1

Start by drawing 2 ovals, one on top of the other, making the top one slightly bigger. Then draw a line for your guide down the middle.

2

Now draw 2 triangles for his hat, a rectangle and a small oval for each arm, and 2 small ovals for his feet.

You will need: A pencil, a piece of plain paper, an eraser, black marker pen and colouring pens. You should remember to draw lightly to begin with so you can rub out your rough lines easily.

3

Using your shapes above as guides, draw in the shape of Chowder's head and hat.

4

Now add his arms, body and feet.

5

Add a smiley face and details to his coat.

6

Finally give Chowder a knife and fork and he's ready to be coloured-in!
